

Pray for the students and community that will benefit from health services provided by a clinic built near the Mwadui Lutheran School.

Prayer #1

Heavenly Father, we thank you for the teachings of the Mwadui Lutheran School in Tanzania. Bless the students as they learn to become evangelists, pastors, or other professionals. Keep them in Your Word, so that whatever their career, they will continue to follow You. In Jesus' name we pray. Amen.

Prayer #2

Dear Father in heaven, we ask You to keep the students at Mwadui Lutheran School healthy so that their studies can continue without interruption. Bless the work of the church as it builds the clinic and arranges for supplies. In Jesus' name we pray. Amen.

Prayer #3

Dear Jesus, the community of Mwadui, Tanzania is still known for its pagan spirit and ancestor worship. We ask you to bless the Christian witness of the teachers and students of Mwadui Lutheran School as they interact within the community. Also, bless the work of the clinic as it serves those in the community so they may learn of the Great Physician who will save them from eternal death. In Jesus' name we pray. Amen.

Prayer #4

Dear Father, we thank you for the staff of the Mwadui Lutheran School and their clinic. Give strength to the staff as they share the love of Christ with their students and bless the medical staff as they care for the sick in the name of Jesus. In His name we pray. Amen.

Healthcare and Medical Supplies for Students and Community in Tanzania

Mercy Medical Care for Tanzania Mwadui Lutheran School and Community — \$68,182

Southeast of Lake Victoria, the Diocese of the Evangelical Lutheran Church of Tanzania was created on December 12, 2012. The mission of the diocese is to connect all people to Jesus so that they may inherit eternal life, through preaching the Gospel in word and deed with great emphasis on God's Word. Their purpose statement includes the phrase (to serve all people spiritually, mentally, and physically through Jesus' name).

Mwadui Lutheran School in Tanzania is an example of how they serve people through Jesus' name. The school is a training place for students aspiring to be pastors, teachers, or professionals. The boarding school began in 2010 and currently has over 200 students. The school is a valuable Christian outreach to the community and region known for its pagan spirit and ancestor worship. The school has trained evangelists and pastors while sending professionals, even medical students, to the universities with a Biblical-based Christian heart.

Malaria and other illnesses are still rampant in this region that is poor and lacks adequate healthcare. The nearest dispensary or clinic is 15 miles from the school. Most members of the school and the Mwadui community do not have transportation available or the funds to pay for transportation to the clinic. Students often become ill living in their close quarters and do not have medical help readily available.

Four years ago, plans began to build a clinic and provide medical care. The construction of the clinic is nearly completed. The next step is to begin this mercy ministry. Medical equipment, medical supplies, and medicine to treat the various illnesses need to be purchased. There is a physician ready to serve the clinic when it is equipped.

Money from this grant will provide funds over the next five years to purchase needed supplies. The clinic will serve not only the students of Mwadui Lutheran School but will also serve as a mercy ministry to the community and the region that needs healthcare. The clinic will have the opportunity to witness about our Lord, through care and ministry, helping to spread the Gospel message.
