

# Mission Grant Summaries

The following are summaries of four of 28 Mission Grants for this biennium. Please keep these ministries in your prayers this fall.

## 12. Mercy Medical Care for Tanzania Mwadui Lutheran School and Community — \$68,182

Mwadui Lutheran School is one of the leading schools in the region, educating many new pastors, teachers, and professionals through Christian curriculum and daily chapel. However, malaria and other health issues continue to be vexing problems. This grant will purchase medical equipment, supplies, and medicine.

## 13. Gospel Outreach to Women and Children in Mongolia Lutheran Hour Ministries (LHM) — \$100,000

LHM has an opportunity to expand its Gospel outreach with its mission to the Kazakh women and children in Mongolia, a non-Christian country. Christian resources, including Bible studies and booklets translated into the local Kazakh and Mongolian languages, are being distributed (pictured above).

## 14. Caring for and Sharing Christ with Hurting People Concordia Seminary, St. Louis — \$100,000

Through this mission grant, deaconess students will be provided scholarships and much-needed assistance with seminary costs. This high-quality, theological education will enable these women to provide compassionate, Christ-centered help to those who are hurting and suffering.

## 15. The Littlest and Least of These, Dallas, Texas, St. Paul Lutheran Church and Christian Academy — \$42,000

This church and academy are located in a Dallas community of mostly unchurched families. They offer the only Christ-centered preschool, before and after school care, and adult academic and Bible classes in the area. Grant funds will expand St. Paul's mission by helping to upgrade the kitchen and provide more educational space.
