Taking God’s Word into Remote and Rural Areas

Lutheran Bible Translators
Mission Vehicle Fund — $70,000

Lutheran Bible Translators (LBT) mission is to make God’s Word accessible to those who do not yet have it in the language of their heart. When people read God’s Word in their own language, they experience God speaking to them and they respond to His grace in prayer, praise, and thanksgiving.

Program managers in Sierra Leone and Ethiopia travel to supervise literacy programs and bring needed teaching supplies to widespread communities. The manager brings primers, supplementary readers, and Scripture engagement materials such as radios, Bibles, and chalk boards. It takes a robust, reliable vehicle to manage rough terrain and safely deliver partners to their destinations.

This grant will be used to help purchase two vehicles to transport program managers in Sierra Leone and Ethiopia. The vehicles will provide reliable transportation to travel to remote villages to supervise translation and literacy projects.

We Pray Together:

Dear Lord, we ask You to bless the work of Lutheran Bible Translators as they partner with people in Ethiopia and Sierra Leone to share the love of Christ in their own language. Please be with them and the people they touch with Your love, guide and direct them, and keep them in Your saving grace. In Jesus’ name we pray. Amen.
