CELEBRATE THE LORD OF THE NATIONS IN MILWAUKEE

Now is the time to make your plans to attend the 40th Biennial Lutheran Women’s Missionary League (LWML) Convention in Milwaukee, Wisconsin, June 22–25, 2023. Join your LWML sisters to “Celebrate the Lord of the Nations,” the convention theme based on Psalm 33:12–13. Attendees will be inspired by the convention goal, “As His children, we celebrate the Lord of the nations.”

The convention attendees, understanding that we are all His children, will:
• Celebrate our Lord through Word and Sacrament.
• Honor God by serving our neighbors.
• Proclaim His message to the nations.

Milwaukee has been listed as one of the top 25 destinations in the world for 2023 by National Geographic. Under the category of community, Milwaukee was chosen because of its revitalized warehouse district, the Historic Third Ward. Milwaukee is the place to be in 2023!

The LWML Convention Host Committee has designed a beautiful blue convention shirt. The order form for the shirt along with the flyer, invitation, and sketch are all available here. Registration information will be in the winter issue of the Lutheran Woman’s Quarterly.
"Destination: Strong Teams" at Assembly of Leaders

Last week’s eNews shared information about the Assembly of Leaders (AOL) training held by LWML in St. Louis, Missouri, from October 19–22, 2022. One important highlight of the training was a two-part session, "Destination: Strong Teams," facilitated by Kristen O’Shea of O’Shea Strengths Coaching. Attendees took the CliftonStrengths assessment tool developed by Gallup to identify their top five strengths before attending AOL.

Each district received a “map” of their attendees’ top five strengths. Using the strengths, Kristen led exercises to better understand the positive psychology and its correlation to engagement and well-being. Attendees were able to identify when their talents were not as helpful alone, but when paired with others helped to make the most of each person working together on a team. This will help districts be more effective in using the strengths of her members.
