*For there is no  
distinction between*

*Jew and Greek;*

*for the same*

*Lord is Lord of all,  
bestowing his riches*

*on all who call on him.*

**(Romans 10:12)**

America is now an international mission field. The Missionaries to America project will help Lutheran Christians see themselves as missionaries and help churches understand that they are a mission base. The plan is to create a network of churches that are enthusiastic and equipped to reach out to ethnic groups in their communities.

Funds from this grant will be used by Mission Nation Publishing to develop a process that will help churches reach out to different ethnic groups. It will also equip women and men of diverse ethnic backgrounds to become new missionaries and serve in their local communities and beyond as the Lord calls them.

Partnerships are being developed with various Synod organizations, such as the LWML Heart to Heart—Sisters of all Nations program, the Chinese Mission Society, the Oromo Mission Society, and the LCMS Office of National Mission to share insights in the development of programs.

#### **We Pray Together:**

Lord God, heavenly Father, we pray that You would bless the Missionaries to America Project and use mite offerings to help provide funds to develop this program—equipping women and men to become new missionaries who will share the message of salvation with others. We ask this in Jesus' name. Amen.
