#### Prayer #1

Lord God, heavenly Father, we pray that You would bless the Missionaries to America Project and use mite offerings to help provide funds to develop this program—equipping women and men to become new missionaries who will share the message of salvation with others. We ask this in Jesus' name. Amen.

#### Prayer #2

Father, we see the face of America changing. We pray that You would guide Your church in making changes that reach multiple ethnic groups with the saving message of the Gospel. Use the mite offerings we give to help the Missionaries to America Project train women and men in congregations to be missionaries, sharing Your message with those in their own communities. We pray in the powerful name of Jesus. Amen.

#### Prayer #3

Mighty Lord, Your Word is truth. Help us share Your message through our mite offerings as we support the efforts of Mission Nation Publishing in training women and men to be missionaries in their own communities to all ethnic groups. Bless these efforts to Your glory and the expansion of Your kingdom. In Jesus' name we pray. Amen.

#### Prayer #4

Heavenly Father, as members of the LWML, we have a love for missions and reaching others with the message of salvation. Help us share Your love for all people with those around us and beyond through our mite offerings and prayer. Our prayer is for the Missionaries to America Project and the program that will train women and men to serve You in their local communities. Bless our mite offerings to that end. In Jesus' name we pray. Amen.
