A New Year's Resolution of Caring

Happy New Year!

Have you made any New Year's resolutions? The Merriam-Webster Dictionary

defines the New Year's resolution as "a promise to do something differently in the new year." This is not about losing weight, working out, or even promising to clean out closets, but about how we, as Lutheran Women in Mission, can be more deliberate in caring for others, especially our church workers.

We are so very blessed that God has called our church workers to the harvest field. By recognizing the importance of these workers and their unique call to share the Gospel message, we have the opportunity to join them in spreading the Gospel.

How can you encourage other women to reach out and support their pastors and other church workers? In what ways can we communicate this in order to invite others to join in supporting, encouraging, and caring for our church workers?

How can we support and encourage pastors and all church workers as they answer God's call?

- We can pray for them.
- We can show respect, love, and thoughtful consideration for all they do.
- We can assist them as they work with God's people.
- We can recognize their efforts and show thankfulness and appreciation.

There are many LWML prepared resources that can help Lutheran Women in Mission support, encourage, and care for their church workers at <https://www.lwml.org/church-workers-in-mission>.

To God be all glory and praise!

God's peace and blessings be with each of you,

Mite Offering Resources on the Web

The mite challenge calendar is a resource designed to focus daily on LWML Gospel Outreach. It includes a suggested mite donation, but that is mainly to remind the user that even little amounts can make a big impact when coupled with prayer, mission service, a Bible verse, a song, or recognition and praise for what God is providing in your life. Use the calendar during family devotions, as inspiration during the week, or as a visible reminder of God's faithfulness and our possible responses. It's no accident that the acronym for Gospel Outreach is "GO." The [mite challenge calendar](#) changes monthly and provides creative ways to GO!
