Summer is here! What joy we receive in God's marvelous gifts during the summer – birds, lightning bugs, squirrels, dogs, cats, cows, fish, and even snakes. God is our Rock and our Strength. Remember our mission grants with prayer. Check to see if there are any updates since you last went to [www.lwml.org](http://www.lwml.org).

Vacation time has arrived, for some of us, but don't leave God out of your plans because He is always there for you. Along with your Bible, take your Mission Grant Prayer Cards so you can continue to pray for the recipients as you travel to new, or not so new, areas. He's there with all the people you meet along the way. Is there someone who needs an encouraging word from you? Check out [www.lwml.org](http://www.lwml.org) for the latest news.

All things have been made by God – all creatures large and small. See the beauty of His creation as you travel this summer. Give Him praise and thanks for being able to see new and different places.

Praise be to God our Father, Who created us and gave us plans for our life. Help us, Lord, to pass on Your Good News to all we meet that they, too, may know Your love.
