

*Sharing Jesus One Plate of Food at a Time*

The Gulf Coast Region of the United States is hit annually with hurricanes, flooding, and tornadoes. In the aftermath of the disaster, people's lives are turned upside down. Their homes may need extensive repair, electrical service is down, and food is scarce. It is in these situations that Forged by Fire Services, an LCMS Recognized Service Organization (RSO), based in LaCombe, Louisiana, reaches out with meals.

Forged by Fire volunteers come into a community with their kitchen equipment in cargo style trailers. They establish a base camp near a Lutheran Church in the disaster affected community. They set up their tent and kitchen and prepare meals for the community. The tent requires a large area and sometimes the weather conditions make the meal preparation and service difficult. Going forward they want to purchase a mobile kitchen trailer. With the trailer they can easily begin helping in areas needing assistance. This grant will help purchase the mobile kitchen trailer.

The volunteers prepare meals to feed those who've suffered losses because of the natural disasters. The served meals help their physical bodies, but they also receive help for their spiritual needs. Working with local churches allows the congregations to help serve and connect with their hurting community. Someone is available to speak with those in need and point them in the right direction for help, prayers are offered, and resources such as devotionals and Bibles are shared. It is during the darkest times for the people that hope is given, with a vision of better days ahead.

*If a brother or sister is poorly clothed and lacking in daily food and one of you says to them, "Go in peace, be warmed and filled," without giving them the things needed for the body, what good is that? (James 2:15-16).*
