The LWML Convention Planning Committee (CPC) and Board of Directors (BOD) met in St. Louis, January 22–24, prior to the Presidents Assembly, January 25–27. The Presidents Assembly consists of presidents from the 40 LWML districts, the LWML President, and the BOD as advisory members as requested by the President.

The annual meeting included time for worship, Bible study, training, and brainstorming, as well as fun and fellowship. Much of the focus was on preparation for district conventions to be held in 2024. District Presidents were given a sneak peek about 2025 Omaha Convention plans.

## Omaha Convention Theme Revealed

During the January LWML Presidents Assembly meeting, the 41st Biennial LWML Convention theme and logo were revealed. The convention will be held in Omaha, Nebraska, June 26-29, 2025. The LWML Board of Directors has chosen the theme — “Growing in God’s Grace,” based on 2 Peter 3:18. *But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To him be the glory both now and to the day of eternity.*

The goal statement for the convention reads: Through Word and Sacrament, I will grow in grace to serve our Lord and proclaim his glory.

### 2025 Convention objectives

Each convention attendee will be:

- Inspired to dig deeper in God’s Word.
- Nurtured to share the love of Christ with enthusiasm.
- Encouraged to support missions and our mission goal with joy.

The convention logo was designed by Nichelle Dykema, LWML Graphic & Digital Design Coordinator. The logo features green leaves sprouting up and revealing the Lutheran Women in Mission icon to signify “Growing in God’s Grace.” A fresh, bright green color is used for the leaves and the word “grace” to indicate new growth and to connect it with God’s grace. Including the Lutheran Women in Mission icon links the logo with our organization and the convention goal “Through Word and Sacrament, I will grow in grace to serve our Lord and proclaim His glory.”

Planning for the Omaha convention is already underway. For more information
