

# Clean Water and Evangelism Ministry

# \$50,000

Lutheran Women's Missionary League support for Mission Opportunities Short Term (MOST) Ministries will help provide instruction on hygiene and sanitation, as well as purchase, ship, and administer a 99% effective sustainable water filtration system for MOST Ministries Clean Water Mission Teams to distribute to 568 families and reach over 5,000 people with the gospel.

## Mission Grant Prayer

Father in Heaven, the lack of safe drinking water is the cause for illness and death of thousands of children each day around the world. We praise You for enabling Mission Opportunities Short Term Clean Water Mission Teams to deliver life-saving water and hygiene education along with the sustainable water filtration systems to 568 families. The love shown to these families through delivery of these life changing water filtration systems allow opportunities to proclaim the living water of Jesus Christ to the whole community. Bless those who hear Your Word through these mission teams. In the name of our Savior, Jesus, Amen.
