

# Renovation of JEM Seminary Buildings

# \$120,000

The Lutheran Church in Nigeria is The Lutheran Church—Missouri Synod's oldest partner church in Africa. The Jonathan Ekong Memorial (JEM) Seminary in Nigeria is in serious need of renovation to its existing buildings to make them safe and serviceable for the increasing number of students. With the funding assistance from this LWML Mission Grant, floors and walls will be resurfaced, roofs and ceilings will be replaced, as well as, electrical and plumbing installations, and painting and termite treatment will be completed.

## Mission Grant Prayer

O Lord, in Your bountiful goodness You have blessed JEM Seminary in Nigeria with abundant growth. As our partners in gospel proclamation in Africa, we are privileged to be of assistance in their renovation and restoration of the structures on their campus. We ask now that You send Your Spirit to stir our hearts to be generous in the giving of our mites and the offering of our prayers so that Your work may continue to be accomplished throughout the world. In Jesus' name we pray. Amen.
