

Redeeming Life Maternity Home

\$100,000

Redeeming Life Maternity Home provides housing and program services for single moms and babies around Sanford, Florida, and instills the knowledge that faith, family, and education are the key to living a happy, healthy, hope filled life. With the mothers being instructed in the faith, they bring their babies to the waters of Holy Baptism. Pastor DeWitt and wife, Sheryl, empower, with God's mercy, the women to live independently: financially, physically, and spiritually. This home came from the DeWitt's dream of being able to provide a place where women could turn and find the love, support, and hope they needed.

Mission Grant Prayer

Dear Heavenly Father, we thank You for the Redeeming Life Maternity Home and for Pastor Edward and Sheryl DeWitt for their vision of a home for single moms. Thank You for being with these mothers as the home gives them the support, a loving, caring, Christ-centered home and family would provide. Give the workers Your peace and perseverance as they help the moms grow in relationship with their Savior, their careers, their parenting, and life skills. In our Savior's precious name we pray. Amen.
