

LCMS Global Seminary Initiative

\$100,000

The Global Seminary Initiative is a program that provides Lutheran theological education by bringing the best students worldwide to The Lutheran Church—Missouri Synod (LCMS) seminaries to study at the graduate level so that they can return to their home countries and provide advanced theological leadership. Also provided is support for local regional seminaries—both infra-structure and scholarships for students to attend regional seminaries. Another offering of the program is continuing education—seminars, conferences and visits by qualified LCMS pastors and professors to teach in the local region. LWML grant money will provide scholarships for the international students.

Mission Grant Prayer

Dear Lord God, we thank You for the many blessings we have received, including the gift of confessional Lutheran theological education provided by our seminaries. Thank You for the opportunities we have in the LCMS to share these blessings with others around the world. Guide us by Your Holy Spirit to be generous in our prayers and giving of mites. Most especially, we thank You for the gift of redemption provided by Your son, our Savior, Jesus Christ. In His name we pray. Amen.
