#2 Disaster Response Trailers \$80,000

This month we focus on the mission grant Disaster Response Trailers. With funds from the Lutheran Women's Missionary League, districts and congregations, and LCMS Disaster Response, these trailers will be fully equipped with tools, cleaning supplies, power tools, and items needed to come into an area ready to go to work and not be an additional burden to the community. Twenty trailers in twenty districts is the goal at present, with prayers to increase in time. Teams will be trained to cope with situations that may arise and ready to share the Gospel as they labor for the Lord. Mercy In Action!! The Lutheran Women's Missionary League Convention chose nineteen grants with a budget of \$2 million for the coming biennium. Disaster Response Trailers is an opportunity for the church to provide Gospel-centered care for both body and soul as teams reach out with mercy, love, and witness. These trailers provide trained volunteers with the tools and cleaning supplies needed for immediate results. Districts and congregations contribute financial support as well. At present, twenty trailers is the goal and the teams will be responsible to maintain their training in "down-times" by putting equipment to good use, aiding those in the area who need assistance with maintaining their homes.
