## PRAYER GUIDE FOR LWML MISSION GRANTS

### “We are God’s Workmanship” (Ephesians 2:10)

#### PRAYER #1

Gracious Father, thank You, Lord, for the opportunity to assist Saint Paul Lutheran High School in providing a Christian education to international students. Please be with the staff of Saint Paul as they nurture and teach these young adults from impoverished nations. We pray this experience encourages these students to return to their homes prepared to profess and teach their Christian faith. This we ask in Jesus’ name. Amen.

#### PRAYER #2

Lord, with a desire to follow Your instructions to go out and teach all nations, please grant an extra measure of the Holy Spirit to the students participating in the opportunity provided by this grant to live and learn in a Christian environment. Place Your words in their hearts and minds in preparation of returning home to share their faith, and keep them strong and firm as they begin the vocation You have planned for them. In the name of Jesus. Amen.

#### PRAYER #3

Father, we boldly ask for discernment and knowledge for the young adults receiving the benefits of this LWML Mission Grant, “We Are God’s Workmanship”. Their mission will not be an easy one, so we pray for comfort and reassurance while away from their families and as they return home. Grant them courage and strength to remain faithful to Your Word as they share the knowledge and truth of salvation. These things we ask in the confidence of knowing You have indeed heard our prayer. In the name of Jesus. Amen.

#### PRAYER #4

Dear Father, we thank You for the mites being offered to assist St. Paul Lutheran High in providing the Christian education to students from impoverished countries. May we continue our support through prayer for the students as they study, learn, and grow in faith. May the Holy Spirit ignite a passion in their hearts to be Your servants, and allow them in turn to be a blessing to others in need. With thanksgiving we ask this in Christ’s name. Amen.
