

January 12, 2019

Dear Friends in Christ,

In the upcoming weeks we will be focusing on Stewardship. You will also be hearing from many of the groups of servants at Marco Lutheran Church. They will be describing briefly their functions both here and in the community.

I ask you to prayerfully consider how YOU can serve in one of these groups, whether you are a full member, associate member or a frequent visitor. God has granted each of us, in varying degrees, financial resources, talents and time. Let us all ask His help in showing us the way to share our resources in God pleasing ways.

Perhaps you can start by making a small monthly commitment of time. Two things can happen from doing this; we get to better know our fellow members, and we discover enormous satisfaction from helping in some way. Financial support can follow the same pattern as you feel the joy in watching and enabling our many ministries to grow.

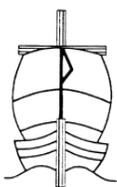

With this letter, you are receiving a survey of your interests and talents as well as a financial pledge form for the coming year which is attached below. Having these forms returned to the church will help us to know who we can call on when there is a need in our ministry. The pledge cards help us to know what our ministry resources will be during the year which is needed in ministry planning and implementation.

Please help us in planning our ministries by looking to God and following His lead in becoming a part of our growing ministry here on Marco Island, whether through your resources, your talents or your time or all three! Thank you for your support of the ministry of MLC!

God's Blessings,

The Stewardship Committee
