Celebration of Life

Preplanning

Preparing your Celebration of Life is one of the most thoughtful things you can do for your family. Grief is a confusing and difficult time, and planning an event in the midst of these emotions can be overwhelming. Your decision to preplan lifts some of the burden off of your friends and family. By completing the following, you will have a document that clearly expresses your wishes and acts as a guide for your family and others at the time of your death.

We encourage you to share this guide with a family member or trusted friend. Keep it in a safe place and let someone know where it can be located. We too will keep a copy here at the church.
