

Night Golf Is Back

When: Friday, August 24th

Where Fairfield North Trace Golf Course

Time: Approximately 8 PM

The people who attended last year's night golf outing had so much fun we are bringing it back again this year.

Fairfield North Trace is an executive style (short) course with four par 4 and five par 3 holes.

We will lay a scramble so you don't need to be a scratch golfer to have fun and try something a little different.

Sign up now in the narthex to reserve a spot for this year.
