OFFICE LOCKS CHANGED

For security, we have changed all the office locks. The doors which were re-keyed: office door*, DCE office door, Pastor's office door, door to Fellowship hall from Pastor's office* and the storage room door* (David's old office). All are now entry locks which have a lock button on the inside. If you are the last Messiah member in the church, as you depart, please ensure the doors marked with a "*" above are locked.

If you have an "old" office key, please turn it into Linda. You will be given a new numbered key. If you have an outside door key, we will try to give you the same numbered office door key. Thank you.

BOOK CLUB - CHANGE

The book club will meet in the community building (the white building) in Greenhills. We will still meet at 2:30 p.m. on August 19, but will meet in the Greenhills Historical Society Room. This was the original library of the original Greenhills High School and contains a WPA mural. There is another one upstairs in the Greenhills alumni room which we will also get to view. Enter the building from the front stairs on the left. We will be discussing "The Muralist" by Shapiro which concerns an artist who painted for the WPA in 1940. All are welcome.
