Leadership board has approved the plan to raise the fellowship floor and install new tile.

**July 20-23** - There will be **no access** to the offices, first floor bathrooms and kitchen. The old tile which includes asbestos will be remediated. These areas will be sealed from the rest of the church. Linda will be working from home July 20-22; if you need anything, please send her an e-mail.

July 29-30 - Offices will be opened. The fellowship hall and kitchen will not be available as the floor is raised.

August 2-6 - Offices will be opened. Some access will be limited as they tile the hall, fellowship and kitchen floors.

We will be seeking help to temporarily remove everything from the areas to be tiled.
