Parents:

The schedule on the following page is a helpful aid for you to use in guiding your child through the Pre-Confirmation assignments and materials within one school year. There is a set of Progress Logs at the back of this manual to assist in tracking completion of the assignments.

The goals of Pre-Confirmation are to prepare both your child and parent(s) for Confirmation I and Confirmation II. Working with your child to accomplish the memorization assignments, attending Sunday School classes and working through the Bible Stories will avoid a stressful and overwhelming situation in Confirmation.

Reviews:

The Confirmation Program involves many participants which leads to variability in how to rate students when reviewing memory work. To manage the variability, strive for fairness and consistency the following ratings guidance is provided –

- **Excellent – No prompting or hesitation**
- **Good – Some hesitation and a maximum of one prompt**
- **Fair – Two prompts max**
- **Poor – Three or More prompts**

It is important to follow the above guidelines. The goals are to identify areas a child may need help in and prepare them for the Elder Reviews in the Confirmation Program.
