
Law Gospel Summary

In this section please write out a one or two sentence summary of the Law and Gospel teaching of this sermon.

Law and Gospel Reminder:

*The **Law** is everything **we are to do for God**. The Law can refer to our sins and our failing to do God's will, but it can also refer to our faithful obedience. The Ten Commandments is a good summary of the Law.*

*The **Gospel** is everything **God does for us**. The most important part of the Gospel is that Jesus died on the cross for our sins. But the Gospel also includes the creation, the whole life of Jesus (keeping the Law for us), and the sending of the Holy Spirit. Notice how the Apostles' Creed is all Gospel (Father, Son, & Holy Spirit).*

Summary of Sermon

In this section please write out a brief summary of the sermon.

This sermon was about John the Baptist. He was baptizing in the
Jordan River. Jesus came by, and John said that Jesus was the
Lamb of God who takes away the sin of the world. He called Jesus
"a lamb" because Jesus would become the sacrifice for our sins
when He would die on the cross.

It is important to know that Jesus takes away the sin of the
world because there is no other way for us to be forgiven of our
sins. Many people try not to think about their sins or to cover
them up with good works. But the sins are still there. This might
be compared to stains on a garment. No matter how beautiful the
garment is in every other way, it is still stained and ruined. Only
Jesus can take away our sins.

When we are forgiven of our sins, we have peace with God, and then we can start living by faith. By faith we begin more and more to do the things that please God. We can also help other people find forgiveness of sins when we tell people, "Behold the Lamb of God who takes away the sins of the world."
