The Light of Christ

Wednesday Evening Bible Study

Though the Christmas season has ended, the light of the Gospel shines as brilliantly as ever. With each passing week, the Advent wreath burned ever more brightly as we recalled God’s promise to bring Light and Life into our dark and dying world. In this Epiphany study, we will continue to ponder the mystery of the Incarnation and bring the Gospel to light by looking at the Sunday Holy Gospel readings from the historic lectionary. Join us Wednesday evenings at 7pm.
