

A Message from Our Executive Director

Dear Brothers and Sisters in Christ,

Most of us Lutherans are pretty good at serving others. But when it comes to being served by others, too many of us are more like Peter. Remember that first Maundy Thursday when Jesus began to wash His disciples' feet?

“He came to Simon Peter, who said to him, “Lord, do you wash my feet?” Jesus answered him, “What I am doing you do not understand now, but afterward you will understand.” Peter said to him, “You shall never wash my feet.” Jesus answered him, “If I do not wash you, you have no share with me.” John 13:6-8

During this time of trial, we need to minister to others, but we also need to allow others to minister to us when we are in need. Only Jesus can meet our greatest need, but please let your brothers and sisters **confidentially** assist you with any of your needs:
