

September 25, 2020

Dear Confirmation families,

This week, a student from our Wednesday night 6th - 8th grade confirmation group tested positive for Covid-19. Because the young people have been wearing masks and maintaining a social distance from one another, we do not believe that an exposure has taken place. However, in light of this (and the rise of positive cases in our county), 6th -8th grade confirmation will take place on-line only until October 14th as a precaution. October 7th was already scheduled to be a livestream class due to our district pastors conference, so we are really only missing one in-person meeting from our current schedule. As we gather for future in-person classes, please be mindful of proper guidelines during our battle against the pandemic. Specifically, **if you or your child** have had any symptoms associated with Covid-19, or have had contact with someone who has tested positive for the virus, or are waiting for Covid-19 test results (or even plan to be tested), please keep your child home and use the livestream option to participate in class. More communications with our confirmation class families will be given by mail, email, the church website, and live streamed class announcements.

In Christ,

Pastor Chris and Pastor Kevin
