6th-8th grade Confirmation

Each Wednesday during the season of Lent, we will focus on a different aspect of what Jesus did for us as He carried out His saving work. Please answer these questions completely and turn in your work to the pastors each week.

#1 Based on the service, the sermon, and your own knowledge, what is Ash Wednesday and why is it important?

#2 Using the Scripture readings and the sermon, which things did Jesus put on His back and carry for us? From your own knowledge, please define each of those words.

#3 From the sermon and your own observation, how is what frontline workers are doing similar to what Jesus has done for us?

#4 What gifts might God give to a person, in order for them to be able to lift earthly burdens? Why is it sometimes hard to see those gifts?

#5 What is the opposite of being burdened, stressed, and crushed? In what ways are we now that way, because of Jesus?
