Focus Passage: Isaiah 53:9

“And they made his grave with the wicked
and with a rich man in his death,
although he had done no violence,
and there was no deceit in his mouth.”

1) Have you ever visited someone’s grave? If so, where, and who was buried there? What was the experience like – and don’t just say “sad.”

2) What can you tell about a person by their final resting place? What remains a mystery?

3) According to Isaiah 53:9, what does Jesus’ burial say about him?

4) Did people visit Jesus’ grave? How do we know? Do they still?

5) What makes Jesus grave, and our faith, so different from others through time?
