Experience All of Lent and Holy Week

There is feelings of longing and sadness every Lent midweek worship service and those special worship services during Holy Week. Longing for my fellow church members, my Brothers and Sisters in Christ, who couldn't, or chose not to, attend each week.

Participating in one or two Holy Week services leaves a huge gap in the retelling the story of Jesus' passion. It steals from the depth and power and strength of Holy Week and the crescendo of Easter Day.

But why should I attend these services?

Experience the Entire Story –

If we miss an episode of a favorite television show, we can catch up by watching it "on demand." Not so with live worship services. To experience the entire narrative, attend all the services.

Binge Watching for the Soul –

We find time for "binge watching" our favorite television dramas. Think of Lent and Holy Week as "binge watching" Jesus' entire passion through worship services, not for entertainment, but for the reality of your eternal salvation!

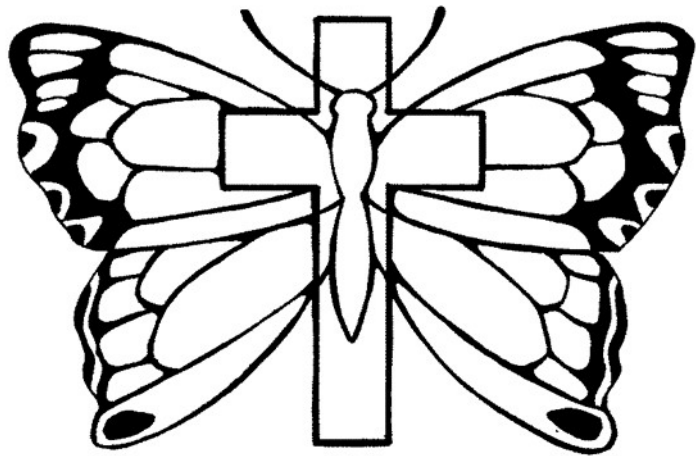

Sights and Sounds and Symbols –

Lent and Holy Week is the most sensory driven worship of the year. Waving palm branches on Palm Sunday. Stripping the altar on Maundy Thursday. Shouts of "crucify him" on Good Friday.

It Should Have Been Me –

As Christians, we acknowledge Jesus died specifically for OUR sins. There are times when this understanding becomes almost academic. Not on Good Friday. Good Friday fills our senses with this reality.

Experience All of Lent and Holy Week!
