10th Annual Back to School Fest is coming..... August 8, 2020 at New Hope Newark

The Back to School Fest Committee has been working on the year's event. In 2019, our Back to School Fest distributed School Supplies to 250 students. We are planning for 250 students again this year. However, since there was no money in the church budget for the 2020 outreach event, the committee's first job was to secure funding. Grants were written and we have received \$2,750 from the Energy Cooperative Round Up Grants, TrueCore Foundation Grants, and Thrivent Action Grants. This is great, but not enough to reach our goal of 250 students. **WE NEED YOUR HELP** with funding.

There is a Back to School Fest Display at both Newark and Granville Sites to show what each child will receive at our give-away on August 8. We **Need an additional \$1350.00** to meet our goal. Please prayerfully consider how much you can give. Place a check (marked BTSF in the memo line) or cash in an envelope (marked BTSF) in the collection plate between now and July 31. We will keep track of the giving on the BTSF display poster at each location.

Our give-away this year will be COVID-19 friendly with a drive through plan to distribute and prebagged supplies. This will be different than in the past. Beginning July 12, Joann Presley and Carol Worst will be asking for volunteers to help bag supplies the week of August 2. We will need volunteers to help direct the traffic flow through our parking lot on August 8 and volunteers to give the bagged supplies to our guests as they drive through our Newark parking lot.

Your help is much appreciated.

Contact Carol Worst (cworst@roadrunner.com), call or text to 740-404-9152 or call 344-5840) if you have questions.
