INTRODUCTION

A. **Welcome:**

Welcome to Our Savior Preschool and Child Care (OSPCC). OSPCC was established in 1984 to serve the community as a mission of Our Savior Lutheran Church. You are part of a unique program that serves the Lord Jesus Christ by ministering to the families He has brought to this center. We are committed to providing the highest quality of Christian care for all children who attend. OSPCC is a state licensed center (CT#12689) and is also accredited by the National Association for the Education of Young Children (NAEYC #118816). We strive to uphold these accreditations to the best of our ability and are re-licensed by the state every four years and by NAEYC every five years. For more information about NAEYC requirements, feel free to visit their website: www.naeyc.org/accreditation.

B. **Parent Involvement:**

WE HAVE AN OPEN-DOOR POLICY THAT ENCOURAGES PARENTS TO VISIT AT ANY TIME; In fact, we encourage parents to visit and take part in our classroom! Parents may participate by providing special snacks, donating items listed on our Wish List, volunteering as a Parent Representative to our Board of Directors, attending Board meetings, or helping in the classroom, just to name a few. Our “Parent Involvement” activities will be communicated through our monthly newsletters or through classroom teacher notices. We encourage families to share their customs and traditions throughout the school year to enhance the educational experience of all who attend OSPCC.

C. **Mission:**

To provide families with a spiritual, safe, and caring Christian environment that supports growth in social, emotional, cognitive and physical skills and in knowing and loving the Triune God (God the Father, Jesus His Son and the Holy Spirit).

Although a separate financial entity, OSPCC is a mission of Our Savior Lutheran Church, and therefore functions under the mission, guidance, and values of Our Savior Lutheran Church, its teachings, beliefs, constitution, and bylaws.

D. **Philosophy:**

OSPCC is a Christian center that offers a loving and nurturing environment, where children are exposed to a diverse group of playmates with low child to staff ratios. OSPCC believes that each child is a special gift from God with his/her own skills and abilities. It is our job to provide unique hands-on experiences for each child in our classrooms and care, allowing them to use their imaginations to make learning their own.

OSPCC values the Biblical teachings of Christ, as understood and taught by the Lutheran Church-Missouri Synod and strives to show children His unconditional love on a daily basis.

E. **Programs:**

For snow days, families must call ahead to ask the staff if there is space available. *(Example: If you sign up for Before School for Mondays, Tuesdays and Wednesdays your child may not attend a L.E.A.P Day on Thursday or an early dismissal on a Thursday.) If space is available and LEAP rate is paid, child may attend.*

Our infant classroom is available to staff children first and if remaining slots are open, we will fill with outside families. The staff to child ratio is 1 teacher to 4 infants with a maximum of 2 teachers to 8 children. OSPCC prefers and strives to keep these ratios lower. These rooms are open from 7 am to 5:30 pm.

Toddler Care:

- OSPCC offers care for children 18 months through approximately age 3 years old. Our toddler classroom is available to staff children first and if remaining slots are open, we will fill with outside families. The staff to child ratio is 1 teacher to 4 toddlers with a maximum of 2 teachers to 8 children. OSPCC prefers and strives to keep these ratios lower. These rooms are open from 7 am to 5:30 pm.

F. Assessments

OSPCC believes that child assessments are an integral part of the development of our students. Teachers use assessments to support children’s learning and help determine an educational and developmental path catered to that individual child. Assessments are conducted in a variety of ways, times, and environments in order to get the best results possible.

Our purpose of assessment is to be able to provide parents with a clear outline of where their child is developmentally including socially, emotionally, physically, and academically. We incorporate these assessments into class time and through group and individual encounters. The State of CT ELDS and DOTS assessment tool, the Ages & Stages Screening tool, Cutting Assessment projects, and “Progress Sheets” are the main ways in which OSPCC staff assesses children. Teachers also take observations and anecdotal notes during class time to document conversations and experiences. Assessments are kept in individual student folders that are locked in classroom cabinets to insure confidentiality.

Teachers give parent feedback daily on the HiMama App and offer formal conferences twice a year. Parents can set up conference time with teachers at any point during the year to discuss questions or concerns they may have regarding assessments and their child’s needs. During these conferences, assessment sheets/evidence is shared and discussed.

If at any point during a child’s participation at OSPCC that teachers & parents feel that further assessments need to be made, OSPCC staff will encourage parents to seek out other resources such as Birth to Three, public school services, etc. OSPCC can make contacts/referrals to these professionals with parent written consent.

These assessment and screening tools provide OSPCC staff and parents with the ability to improve curriculum for each student, plan and improve our programming, strengthen parent/teacher rapport, and set up strategies and plans for student success.

Assessments are also used in the event OSPCC teachers and parents see a need to make a referral for diagnostic screening from an agency and/or school system. Teachers will also use assessment results in order to plan for classes by learning individual interests of children as well as their individual needs.

The OSPCC director will host a parent meeting to educate them about the program’s curriculum and assessment tools in order to describe the developmental progress and learning that their child will experience. If parents are unable to attend this meeting, parents may talk with teachers and or the director at any time regarding curriculum and assessment.

Assessments are conducted on an on-going process; parents can request a meeting anytime during the year and can be arranged at the parents’ convenience including phone conversations. Formal conferences are offered twice a year in November and April.

The CT Office of Early Childhood has published a Child Developmental Milestones information sheet. For a more complete checklist or if there are any questions or concerns regarding a child’s development, behavior or learning, parents may visit <https://cdi.211ct.org>.

Curriculum

We feel that using a variety of tools allows us to keep our curriculum new and fresh as well as emergent based on the interests and needs of our children. By using these methods, we find that our teachers can provide opportunities and experiences that lend themselves to academic and social goals, family home values, good moral beliefs and language development.

Special Services:

If at any time you are concerned about your child and would like to contact outside professionals, your child's teacher, as well as the director, can help with that process. We will be more than happy to talk to you about specific needs like speech issues, academic concerns, behavioral items etc., and help you contact a professional that can assist you. We have wonderful relationships with specialists within the South Windsor School district as well as state agencies like "Birth to Three." If your child needs to be observed by a professional within our environment, that can be scheduled as well. OSPCC will help children and families with issues that may arise to the best of their ability, to ensure that children are getting the best care and education possible.

Confidentiality:

The Board of Directors and staff fully uphold a strict level of confidentiality in all matters pertaining to its families. The child's records are open only to authorized employees of OSPCC, licensing agents, the child's legal parents/guardians and the State of CT Department of Children and Families (DCF).

Nondiscriminatory Policy:

OSPCC admits children of any race, color, religion, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to children at the center. It does not discriminate in administration of its education policies and admissions policies. Admission is not limited to South Windsor residents. II. ORGANIZATIONAL STRUCTURE

A. Our Savior Lutheran Church:

C. Pastoral Office:

As shepherds of Our Savior Lutheran congregation, our Pastor(s) is/are the spiritual counselor(s) and religious leader(s) of the center. In this sense, they supervise the spiritual life of the center and oversee the religious curriculum. Providing the spiritual tone and inspiration to the staff is their most direct responsibility.

C. Drop-off & Pick-Up of Children:

Families will receive a key fob at Parent Info Night or at Stop by and Say Hi. This is to be used when dropping off and picking up. Please do NOT share this fob with ANYONE. If someone other than parents/guardians come to pick up, please ask them to press the buzzer. We will open the door for them.

All children must be accompanied by an adult inside and outside the building and must be walked to their classroom by an adult. Parents must sign their child(ren) in and out each day in their classroom. D. Late Pick-Up Fee:

OSPCC charges parents who are more than 5 minutes late in picking up their child at the end of an enrolled program time or if more than 30 minutes late in picking up an ill child. See F. TUITION, PAYMENT, AND FEES for details.

E. Child Not Picked Up

We expect that children will be picked up promptly. If you will be unavoidably detained for more than five minutes, please call the center at 860-644-6458 and notify the staff when you will pick up your child. If the child is not picked up within ten minutes of closing time the following procedures will be followed:

2. After fifteen minutes, staff will begin calling parents and emergency contacts.
3. If parents do not call, or could not be contacted, and fail to pick up their child/ren within forty-five minutes, the South Windsor Police will be notified.
4. At one hour after the school has been closed the staff will call DCF and report that a child has not been picked up for an extensive period of time. It will be left to DCF as to what action is appropriate.
5. For all of these instances, the Director will be contacted immediately, and the event will be documented

OSPCC encourages students and parents to utilize our library located in the back hallway. We have a wide variety of fiction, non-fiction, chapter, easy reader, infant/toddler, and Christian books. Parent resource materials are all available. Parents are welcome to borrow books anytime. All parents need to do is fill out a lending library form and bring it to the office. Galloping Giraffes and Fabulous Frogs will have a structured library time and will be able to borrow books on a weekly basis. Books borrowed during class time should be returned to your child's teacher on a weekly basis. Parents borrowing books may return books to the office in the bins provided by the director's desk.

G. Tuition, Payments, and Fees

PAYMENTS

- Tuition payments are due on the first day of the month that your child attends OSPCC for part-day preschool. Full time students and school age student tuition payments are due weekly, on the first day of the week that the student attends.

SCHEDULED PAYMENT AMOUNT:

- The same amount is due each week/month regardless of holidays, school and personal vacations or illnesses because tuition is based on a yearly rate and staff-child ratios. The board calculates each payment amount by looking at the total cost for the year and dividing it by number of weeks/months. This is to make it easier on parents and OSPCC office staff. Regardless of, conferences, 90-minute delays, early dismissals, half days, you will pay the same scheduled payment amount (June is ½ the scheduled for only part-day preschool families). Vacation days and weather closings will be charged the extra LEAP rate stated on your contract.
Please Note: School Age families are required to pay for all L.E.A.P. days their child is signed up to attend, even if the child's plans change at the last minute. OSPCC staffs for the number of children who have been enrolled for each individual L.E.A.P. day.

- Nonpayment of tuition is reason for dismissal.
- Additional increases may be necessary of the 2022-2023 school year. (No earlier than Jan. 2022)

H. OSPCC Termination Policy

Our Savior Preschool and Childcare Center (OSPCC) provides loving childcare and Christian education in a group setting and must be concerned for the welfare and safety of all children, families, and staff. There are sometimes reasons we have to terminate a child from our program. However, we will do everything possible to work with the family of the child (ren) in order to prevent this policy from being enforced.

The following are some (but not limited to) reasons that we may have to terminate a child from this Center:

Child's Actions for Termination

- The child threatens the safety, health and/or wellbeing of himself/herself or others.
- The center cannot meet the physical, mental, or emotional needs of the child.
- If a child is consistently requiring one-teacher-to-one-child ratio.
- If it is advised by a physician or mental health professional.

Parental Actions for Child's Termination

- Failure to pay tuition within two (2) weeks/habitual lateness in payments.

- Enrollment/immunization records are incomplete and/or not updated.
- Habitual tardiness in picking up a child at closing time.
- Parent/Guardian/Family ignores center guidelines, and/or causes undue stress to the center staff or operations.
- A formal parent conference is not attended (One requested by the Director).
- Parent exhibits any form of abuse to any OSPCC affiliates. (Staff, families, children, or volunteers.)

If remedial actions have not worked, and the OSPCC Director and Board of Directors, determines that it is in the best interest of a child and our Center to terminate the childcare, OSPCC will advise the family with a verbal and written notice as well as a final statement of monies due (if any).

IV. PRESCHOOL EDUCATIONAL PROGRAM

A. Overview:

A Christian based curriculum is followed in all aspects of teaching. Children and their parents should wait for the teachers to open the classroom door before entering the classroom. Parents should be prompt in dropping off and picking up their children. Good attendance and being on time is a goal of all schools. Preschool prepares children for more formal schooling. Please call OSPCC if your child will not make it to school.

OSPCC believes in a child-centered, experiential approach to learning. At school, your child will learn to take his/her place in a group, to cooperate and share, to recognize authority, to follow a routine, and to reconcile problems. We believe that a child learns best through play. During work time children will be able to explore our many centers and discover on their own. See F. PART-DAY SCHEDULE Learning centers may be coordinated with a theme, such as: grocery store, post office, etc. Our themes are based on emergent curriculum, OSPCC believes that theme should be based on the child's interests rather than pre-set themes. Once a week your child will be part of our "Bible Time" where he/she will listen to and share thoughts about Jesus and different Bible stories. Each class also enjoys a 20-minute music class once a week. Galloping Giraffes and Fabulous Frogs participate in library once a week. We work individually with children to enhance their pre-kindergarten skills and show them the love of Christ. We work with the Town of South Windsor and the Kindergarten curriculum to stay informed of the Kindergarten curriculum to ensure that our students are properly prepared for public school. OSPCC has a wonderful relationship with South Windsor Public Schools and will help your child in the event that he/she may need special services (i.e. speech therapy). We also work with other town school systems and Birth to Three.

A child's work is his/her play. Children learn by active participation, doing, touching, experimenting, talking, etc. Everything a child does is part of the learning process. OSPCC uses the State of CT's Early Learning Developments Standards tools as our curriculum base as well as our method of assessment.

Children at OSPCC will follow a structured yet flexible daily schedule that meets the individual needs of the diverse population of children and families served by our program, including those with cultural, language and developmental differences.

The daily schedule shall include indoor and outdoor physical activities, which will allow for fine and gross motor development.

The daily schedule will include opportunity for problem-solving experiences that help to formulate language development and sensory discrimination.

Children will have the opportunity to express their own ideas and feelings through creative experiences in all parts of the program, including:

- ✓ Arts and media
- ✓ Dramatic play
- ✓ Music
- ✓ Language
- ✓ Motor activity
- ✓ Language learning experiences
- ✓ Experiences that promote self-reliance
- ✓ Health education practices
- ✓ Child initiated and staff-initiated experiences
- ✓ Exploration and discovery
- ✓ Varied choices in materials and equipment
- ✓ Individual and small group activities

- ✓ Active and quiet play
- ✓ Rest, sleep and quiet activities
- ✓ Nutritious snacks
- ✓ Toileting and clean up

OSPCC does not accept requests for specific classrooms, teachers or student groupings based on classroom preferences/neighborhoods etc. Our Director takes into consideration boy/girl ratios, needs of children, and student/teacher compatibility when constructing classes/groups for the school year.

The goal for each child is to remain in the same classroom for the educational year, August-June, advancing to the next classroom in June if attending summer camp or in August of the next educational school year.

B. HiMama Parent App:

Daily activity is logged every day by the preschool teachers to indicate daily activities, special events, and snacks as well other important communication on the HiMama Parent App. Parents will be asked to communicate any pertinent information to the teacher upon drop off, either in person or through the app.

C. Conferences:

You may request a parent-teacher conference at any time during the year; however, there will be two conference sessions, one in November and one in April (a NAEYC requirement). At this time the teacher will share their observations of your child's adjustment to school and about their progress. Throughout the school year we will be assessing your child in a variety of areas including, fine/gross motor skills, socialization, listening skills, and some academic areas. Conferences are a wonderful opportunity for you to get to know your child's teacher better as well as looking at an in-depth review of your child's progress. Teachers can also help parents make wise decisions for their children in regards to Kindergarten. We value and welcome your thoughts and suggestions. There will be no preschool during conference days because teachers have many preschool parents to meet with and the fact that our elementary students return to OSPCC earlier (due to elementary school conferences). If the scheduled conference times do not work for a parent, teachers will be more than happy to schedule one at an alternative time or schedule a phone conference.

D. Field Trips/Community Visitors:

Throughout the year we will be going on various field trips. During most outings we will need to ride on a public-school bus. Parents of Bear Cub children are required to accompany their child on all field trips (arrangements can be made for full-time preschoolers and/or special circumstances, please talk to the director). You will be notified of each field trip in the "Parent Newsletter," which is distributed out at the beginning of each new month. Our first priority will be the safety of all children. Please inform the teachers immediately if you have any concerns or questions as to our procedures.

Field trips may include outings ranging from apple picking to local children's attractions. Teachers will decide which classes to take where and when, based on the class's maturity level, ability to listen to directions, and number of parent chaperones. We will talk about the field trip in classes prior to the trip and/or also talk about our experience after the trip. Depending on the timeline, parents will have the option of returning to OSPCC for the remainder of the class following the trip or choose to sign their children out at the completion of the trip.

Resource people, including parents and other community workers, speakers, and entertainers will visit the classroom to share hobbies, skills, language, and information with the children. If you would like to be involved in this way, please speak to your child's teacher. Cost of the field trips will vary.

E. Clothing:

All outerwear or additional clothing must be labeled with your child's name. While there is no dress code, play clothes are strongly recommended. Children will not be allowed to climb on equipment in long dresses, sandals or inappropriate shoes, clothing with cords, or other inappropriate footwear. Parents are reminded that art projects and outdoor play can result in soiled clothing. Children will be going outside on a daily basis unless it is raining or if the temperature is severe. Please have your child dressed accordingly. In the winter, we require all children to wear gloves, coats, boots and hats when going out in the snow. Snow pants are also recommended. Children are not allowed to wear boots in the classroom so please bring appropriate shoes to change in and out of. We ask that all preschool students have a change of clothing in their backpacks at all times in cases of bathroom accidents or clothes getting wet from the water table. Clothing that is soiled or wet needs to be taken home and washed.

F. Part- Day Daily Schedule:

Our daily schedule consists of:

Hello Time: The teachers warmly welcome children they arrive to the classroom. Each child has a special job for the day and then may join the others participating in table toys that develop children's fine motor and critical thinking skills. Teachers take time to talk with each child one-on-one, as well as have an opportunity to talk with parents about issues that may affect the school day.

Group Time: Begins with a prayer for children who are absent, and the group talks about the day ahead. (This is also when Jesus Time, Music Time, Library time, cooking experiences, phonological games, and group writing may occur.)

Work Time: Children explore the centers at their own pace. Centers include; Home living, Art, Tactile Table, Manipulatives, Science, Blocks, Listening, Book and Writing centers. During this time, children may also participate in cooking projects, one-on-one work/assessments or in a small group.

Small Group Project Time: Each day, small groups of children will work with the teacher on a project involving art, writing, cooking, wood construction, science, geography, math, phonological awareness or a variety of other topics. Teachers plan these activities around the children's interests and needs.

Snack Time: Begins with prayers. Healthy nutritional snacks are provided each day as children practice such skills as pouring juice, passing napkins or counting crackers. Snack menus are posted on lessons plans which are located on hallway bulletin boards. Special cooking snacks with ingredients and the recipe will be posted on the lesson plan. Please inform us of any allergies or restrictions.

Story Time: A group story is read and/or felt board activity explored.

Outside Time: Children are given twenty to thirty minutes of outside time to develop their gross motor skills (weather permitting). During the winter and/or inclement weather, students will have gross motor experience opportunities in our gymnasium.

Dismissal: Please wait in the hallway after the preschool session. A teacher will dismiss your child to you.

The permission slip must include the name of the movie, the rating, the day/time it will be shown and be kept on file in the office.

K. Preschool Snacks:

Young children grow rapidly. Healthy snacks contribute to optimal growth and development. OSPCC provides snacks for the children on a daily basis. However, if you would like to bring in the snack, here are some guidelines when planning for the children:

- Are at least 2 food groups included?
- Does it look and taste good?
 - Try cutting items into shapes!
 - Is there a dip or spread? (cheese, cream cheese, peanut butter, yogurt, dips, fruit spread, etc.)
- Does it have nutritional value, not just empty calories?
- Can children serve themselves?

Some ideas for snacks include, along with milk or 100% fruit juice.

It is not necessary or expected that birthday treats be brought to school; however, if you would like to recognize your child's special day, please check with the teachers first since some of our children may have dietary restrictions. We encourage low-sugar treats. See the list of snack suggestions above. We ask that Birthday Invitations be mailed home or can be placed in the file folders on the front desk, **NOT in folders in the classrooms or in student cubbies.**

VI. BEFORE & AFTER SCHOOL PROGRAM

- A. Overview:** OSPCC admits children in grades Kindergarten-5th grade only. Before school programming allows children to arrive throughout the morning and join in free play activities before going off to school. The after-school programming first greets the children as they get off the bus and a staff member escorts them downstairs. Children are given choices throughout the day, inside free play, outside, snack, clubs, or homework. Throughout the year, children take part in a variety of mission projects to promote Christian morals and values. Students pray before snacks and can pray for folks that may be ill, hurt, etc. Teachers promote the use of kind words to others and stress the importance of treating everyone with respect and kindness. Please note that school age children unable to attend public school due to illness or who are sent home from public school due to illness will not be permitted to attend OSPCC's school age program for that day.
- B. Snacks:** Snacks are available for children within the first half hour after school. OSPCC provides snacks daily that meet the guidelines of representing a minimum of two different food groups.

- C. **Homework:** OSPCC is here to assist children and families with homework after school childcare. We realize that homework is a part of most children's after school responsibilities. As such, we feel it is important to allow time for uninterrupted homework studies. In this way, hopefully, the burden of late-night study sessions can be kept to a minimum. Please inform the Child Care Supervisor if homework status changes during the school year. All parents are asked to fill-out a homework permission form at the beginning of the year.

Children may do their homework at any time after school. However, we will provide a specific "study hall" for those children and/or parents who request so. Our routine will be as follows:

1. Free Time & Snack = First half hour off the bus
2. Choice Time =
 - A. Outside Free Play
 - B. Inside Free Play
 - C. Special Project
 - D. "Homework Assistance" (30 min. max.)

We will not force any child to attend the "study hall" unless we have a specific note from the parents.

OSPCC recognizes that SWPS is using apps and websites to enhance the children's learning experiences as well as to complete homework. As such, only SWPS issued devices will be allowed. Headphones must be worn so as not to distract other children from their homework. Only apps and websites authorized by SWPS for schoolwork will be used; using unauthorized apps and websites will not be allowed. Staff must be able to observe student screens at all times. Electronic devices will be used after all other "paper type" of homework has been completed.

- D. **Special Activities:** During the winter months and when the weather is severe, special interest clubs may be offered. Clubs have a variety of focuses such as cooking, science, sewing, bead making, beauty shop, theater, woodworking, martial arts, music, Tae Kwon Do, Science, etc.
- E. **School Vacation Weeks, Days Off, "L.E.A.P" (Let's Enjoy A day of Play):** During school vacation weeks, conferences, and professional development days school age children may come to OSPCC. **Parents must sign their children up on the designated sign-up sheets no less than two weeks prior to the vacation week.** OSPCC schedules staff according to the number of children signed up on those lists for those L.E.A.P days. Additional payment is required for vacation weeks, please see tuition schedule. This is the only opportunity for children to play an electronic device from home. Children are allowed **1 hour** during quiet time. They are not allowed to play other children's games and they are not allowed to have on lookers to the game they are playing. Please make sure games are appropriate.

SEE REVERSE FOR A LIST OF DATES

* In light of the complexities of moving elementary classrooms and staff, Pleasant Valley will operate on a 180-student day calendar for the 2022-2023 school year. Students in all other elementary schools, as well as students in grades 6-12, will adhere to the 182-student day calendar. Dates are subject to change if emergency school closings are required. Any additional days that may be needed at the end of the school year due to emergency school closings are indicated on the calendar (#). If additional make-up days are needed, the Board of Education will reduce school vacations or add additional days at the end of the year.

Family Events/Services/Mission projects:

OSPCC holds a number of family events through-out the year. These are wonderful times for parents to get to know other parents; parents to spend time with their children in their school environment; church members to get to know school families; and most of all, to have fun. Events range from the fall harvest hoe down, to the end of year graduation and picnic. Some events, like the winter family night serve as a fundraiser for the school.

Throughout the year, OSPCC likes to serve parents in a number of ways. We want to be more than just a childcare center/preschool facility. In the fall we have a photographer come in who not only takes individual and class photographs but will also take family and sibling photos. These come in just in time for Christmas and can even be made into holiday cards.

Mission projects are very important to OSPCC. We believe that getting the entire family involved will leave a lasting impression on the child. It is important that we teach our children to help others. OSPCC's mission projects range from food drives to collecting hats and mittens for those in need. Each year OSPCC takes part in at least 4 different mission projects.

Snow Policy:

To hear information about possible closings or delays at our center, please watch WFSB Channel 3 television for Storm Closings. Log onto www.wfsb.com, or call 860-644-6458 and listen to the OSPCC answering machine, check emails and/or our Facebook page. If South Windsor Public School issues a 2-hour delay, OSPCC part-day preschool will begin at 10 and end at normal dismissal time. There will be no refunds due to center closings caused by inclement weather.

VII. BEHAVIORAL MANAGEMENT PLAN**A. Behavioral Management Goals:**

The discipline goal simply states, "For children to make the right choices and be responsible for their own behavior." "Train a child in the way he should go, and when he is old, he will not turn from it." Proverbs 22:6 Staff uses guidance methods that help children learn self-control.

B. Acceptable Behavioral Management Plan:

Enrolled children will be redirected to another activity if the situation is too stressful or becomes too challenging for the child to handle. Enrolled children need direction and guidance. Teachers will use a shadowing technique, when necessary, in which the child becomes the teacher's "special helper" for the remainder of the day. Time out will not be used unless the child is physically hurting themselves or another child.

OSPCC Staff will set clear limits, encourage, and model positive behavior. Staff will also use positive reinforcement, peer support and clearly define classroom rules. During disciplinary actions, staff will continuously supervise the child/ren.

If a child is misbehaving, teachers will institute a five-step plan to help the child regain her/his self-control. The plan is as follows to encourage a "talking out" process where the goal is to acknowledge feelings and find solutions using the children's ideas wherever possible:

1. The teacher will identify the misbehavior for the child, asking why she/he reacted that way and telling her/him that the behavior cannot be repeated, e.g., "Sarah, you may not hit Jamal."
2. The teacher will talk through a different way to handle the problem and identify why a behavior should not occur, e.g., "Sarah, when you hit Jamal, it hurts him. You may not hurt Jamal and I will not let anyone hurt you. Why did you hit him?"
3. The teacher will then encourage the children to talk out their own problem using the format, (e.g., "Jamal, when you _____, I feel _____, because _____. "Jamal, when you took my _____, it made me feel sad." "Sarah, when you hit me, I feel sad because it hurts.")
4. The teacher will then help the children to forgive and reconcile, e.g., "Sarah, please ask Jamal to forgive you." "Jamal, please forgive Sarah."
5. The teacher will redirect the child to another activity, e.g., "Sarah, I think Tony needs help building a bridge in the block area. You may not continue in Home Living, but I know you like to build bridges, maybe you could build one together."

OSPCC's goal is to work with the child and family to include the child while working through the challenging behavior. The goal is to not exclude the child from center/classroom activities. OSPCC has a licensed Marriage and Family Therapist on staff to help the child, family, teachers, and the center with persistent, serious, challenging behaviors to develop and implement an individualized plan that supports the child, teacher, and family.

The State of CT makes the Early Childhood Consultation Partnership (ECCP) available to families, teachers, and centers. The ECCP provides a range of services along the mental health service continuum. These include Early Childhood Mental Health promotion, prevention, and early intervention. For more information about ECCP, please go to www.eccpct.com.

For the safety of your child and all children in our care, physical misconduct, stealing, destruction of property, or leaving OSPCC property without permission or supervision will result in a written warning to parents, the child will sit out for the remainder of the day and the parents may be asked to remove the child from our program immediately.

1. Classroom Rules, Safety Rules, or How to be a Kind Friend:

- a. Listening ears
- b. Use inside voices
- c. Keep hands and feet to self
- d. Walking feet
- e. Share our toys

** OSPCC will not tolerate swearing, bullying, name calling, physical harm to others, not following directions after repeated asking, lying, etc.*

2. Consequences:

- The first time a rule is broken, a warning is given, and a teacher will explain what occurred that was wrong as well as the correct behavior or expectation.
- The second time a rule is broken, the child may be asked to spend time away from the group. This may include redirecting the child to another area of the room or by spending some time in our quiet corner. (Time away/Body Breaks do not exceed the age/minute equations i.e., if the child is 6 years old, his/her time out will not exceed 6 minutes).
- The third time a rule is broken, parents will be notified in writing and the child will be restricted to specific centers/areas that are not a concern or may be asked to stay with a teacher for the remainder of the day.

3. Parent Notifications/Expulsion:

(Parent Notifications will be signed by the parent(s) and put into the child's file.

- Parent will receive "Parent Notification #1" and be asked to sign, date, and return form before the child may return to OSPCC.
- Parent receives "Parent Notification #2". Parent must sign, date, return form and set up a conference with the Director and Pastor before returning to the program.
- Parent receives "Parent Notification #3". Child will not be allowed to return to the center.

C. Prohibited Disciplinary Measures:

Under no circumstance will neglectful, abusive, corporal, humiliating or frightening punishment be used. No child will be physically restrained unless it is necessary to protect the health and safety of the child or others. If a child needs to be removed from the group to regain his/her composure, it will be to a place where visual supervision by staff is possible.

Staff members, who are trained to administer medications, must observe the following guidelines concerning the dispensation of medications:

XII. CHILD ABUSE & NEGLECT

A. Policies:

Under Connecticut law, all childcare providers are required to report any suspicion that a child is being abused, neglected, or at risk. The staff will observe children for evidence of child abuse or neglect. The law protects all staff from discrimination or retaliation for reporting abuse or neglect allegations.

Child: is any person under eighteen years of age.

Child Abuse: the non-accidental physical or mental injury, sexual abuse or negligent treatment of a child under the age of 18 by a person responsible for the child's welfare.

Physical Abuse: unexplained bruises, welts, burns, fractures or internal injuries.

Child Sexual Abuse: is any form of sexual activity imposed upon a child by a person in a position of power, authority and/or influence over the child.

Sexual Activity: includes, but is not limited to, any contact with the intimate parts of the child (genital area, groin, anus, inner thighs, buttocks or breasts) by a person for the purpose of gratification of the person or the child or both. It also includes sexual intercourse, or genital-genital, oral-genital, anal-genital, or oral-anal contact between persons regardless of sex. Penetration, however slight, by an object is included. Finally, violation or perceived violation of a child's body without actual touching may be included as with exposure of the person's genitalia to the child, voyeurism of the child and taking pictures of the child for sexual or pornographic purposes.

Imposed: is activity or behavior that is non-coercive or coercive. Non-coercive includes, but is not limited to, a person who employs, uses, persuades, induces, entices, or coerces a child to engage in sexual activity. Coercive includes the use of implied or actual threats, the use of force or threat of use of force, the use, threat, or display of a deadly weapon.

Emotional Abuse: excessive belittling, teasing, berating which impairs the psychological growth and development of a child.

Neglect: the failure to provide for a child's basic needs of food, clothing, shelter, hygiene, medical attention, or supervision.

B. Procedures to Report Suspected Abuse or Neglect:

1. Any staff member suspecting child abuse or neglect will inform the Director and/or supervisor immediately. If the Director or supervisor cannot be contacted immediately go to step two (2).
2. An oral report of suspected abuse will be made by the individual suspecting the abuse or neglect to the Department of Children and Families Hotline (1-800-842-2288) or to the local police (South Windsor):

644-2551) within 12 hours of discovery.

3. If the child is in imminent danger, steps will be taken to provide the victim(s) of abuse and neglect with needed medical/safety services immediately.
4. The Director will be responsible for notifying the parent(s) or guardian(s) once an allegation of abuse or neglect has been made.
5. The written "Report of Suspected Child Abuse/Neglect" (form DCF-136) will be submitted to a DCF Regional Office within 48 hours and a copy given to the Director and kept on file at the center.

C. Staff Member Suspected of Abuse:

OSPCC HAS A ZERO TOLERANCE FOR CHILD ABUSE AND NEGLECT

Anyone suspecting a staff member of child abuse or neglect should immediately notify the Director or the OSPCC Board of Directors. If there is an allegation of sufficient credibility to cause a law enforcement investigation to be initiated, the alleged perpetrator will be suspended immediately with pay. Whether or not the staff member may resume his/her work with children will depend upon the outcome of the investigation.

D. Education Regarding Child Abuse:

New staff members are informed of their role as "mandatory reporters." A file containing information regarding identification and prevention of child abuse is kept in the office, at the disposal of all staff. All staff members are mandatory reporters for suspected child abuse and/or neglect. All staff members will receive training on Abuse & Neglect policies, prevention and detection of child abuse and neglect, and reporting requirements as a mandated reporter on a bi-annual basis, at the August and February staff meetings.

XV. COMMUNICATION:

Parents will receive a newsletter every month via the HiMama App. In this newsletter parents will find information about upcoming events, theme and academic activities, along with other important center announcements. Parents will gain useful information by looking at our "Information Station" bulletin board in our main hallway. Daily updates and class experiences are noted on this board along with weekly lesson plans. Parents may also be guided to special sign-ups and displays above the cubbies, and in the lobby. Daily Reports will be sent home each day through HiMama for all of the Preschool, both Full-Day and Part-Day, and Infant/Toddler aged children.

By October, parents will receive a "Family Directory" booklet which will include contact information of each student that families wish to share. Only the information completed on the family directory form will be published.

OSPCC asks parents to refrain from distribution of party invitations while at the center, this includes distribution in cubbies or in the hallways. We ask that you use the information provided in the family directory to contact parents directly about events and gatherings.

OSPCC PARENT HANDBOOK AGREEMENT FORM

The OSPCC Parent Handbook was developed as a tool of reference. Policies may be added or changed by the Board of Directors and/or Director as needed with notification to parents through the newsletters.

I have carefully read, understand and agree to all policies of the 2021-2021 OSPCC Parent Handbook which is located on the OSPCC website. A hard copy is available from the preschool office upon request.

OSPCC BEHAVIOR MANAGEMENT AGREEMENT FORM

VII. BEHAVIORAL MANAGEMENT PLAN (As found on page 19 of the OSPCC Parent Handbook)

A. Behavioral Management Goals:

The discipline goal simply states, "For children to make the right choices and be responsible for their own behavior." "Train a child in the way he should go, and when he is old, he will not turn from it." Proverbs 22:6 Staff uses guidance methods that help children learn self-control.

B. Acceptable Behavioral Management Plan:

Enrolled children will be redirected to another activity if the situation is too stressful or becomes too challenging for the child to handle. Enrolled children need direction and guidance. Teachers will use a shadowing technique, when necessary, in which the child becomes the teacher's "special helper" for the remainder of the day. Time out will not be used unless the child is physically hurting themselves or another child.

If a child is misbehaving, teachers will institute a five-step plan to help the child regain her/his self-control. The plan is as follows:

1. *The teacher will identify the misbehavior for the child, asking why she/he reacted that way and telling her/him that the behavior cannot be repeated, e.g., "Sarah, you may not hit Jamal."*
2. *The teacher will talk through a different way to handle the problem and identify why a behavior should not occur, e.g., "Sarah, when you hit Jamal, it hurts him. You may not hurt Jamal and I will not let anyone hurt you. Why did you hit him?"*
3. *The teacher will then encourage the children to talk out their own problem using the format, (e.g., "Jamal, when you _____, I feel _____, because _____. "Jamal, when you took my _____, it made me feel sad." "Sarah, when you hit me, I feel sad because it hurts."*
4. *The teacher will then help the children to forgive and reconcile, e.g., "Sarah, please ask Jamal to forgive you." "Jamal, please forgive Sarah."*
5. *The teacher will redirect the child to another activity, e.g., "Sarah, I think Tony needs help building a bridge in the block area. You may not continue in Home Living, but I know you like to build bridges, maybe you could build one together."*

OSPCC has a licensed Marriage and Family Therapist on staff to help children, families, teachers, and the center with persistent, serious, challenging behavior to develop and implement an individualized plan that supports the children inclusion and success.

The State of CT makes the Early Childhood Consultation Partnership (ECCP) available to families, teachers, and centers. The ECCP provides a range of services along the mental health service continuum. These include Early Childhood Mental Health promotion, prevention, and early intervention. For more information about ECCP, please go to www.eccpct.com.

For the safety of your child and all children in our care, physical misconduct, stealing, destruction of property, or leaving OSPCC property without permission or supervision will result in a written warning to parents, the child will sit out for the remainder of the day and the parents may be asked to remove the child from our program immediately.

1. Classroom Rules:

- a. Listening ears
- b. Use inside voices
- c. Keep hands and feet to self
- d. Walking feet
- e. Share our toys

* OSPCC will not tolerate swearing, bullying, name calling, physical harm to others, not following directions after repeated asking, lying, etc.

2. Consequences:

- The first time a rule is broken, a warning is given, and a teacher will explain what occurred that was wrong as well as the correct behavior or expectation.
- The second time a rule is broken, the child may be asked to spend time away from the group. This may include redirecting the child to another area of the room or by spending some time in our quiet corner. (Time-outs do not exceed the age/minute equations i.e., if the child is 6 years old, his/her time out will not exceed 6 minutes).
- The third time a rule is broken, parents will be notified in writing and the child will be restricted to specific centers/areas that are not a concern or may be asked to stay with a teacher for the remainder of the day.

Physical misconduct, stealing, destruction of property, or leaving OSPCC property without permission or supervision will result in a written warning to parents, the child will sit out for the remainder of the day and the parents may be asked to remove the child from our program immediately.

3. Parent Notifications/Expulsion:

(Parent Notifications will be signed by the parent(s) and put into the child's file.

- Parent will receive "Parent Notification #1" and be asked to sign, date, and return form before the child may return to OSPCC.
- Parent receives "Parent Notification #2". Parent must sign, date, return form and set up a conference with the Director and Pastor before returning to the program.
- Parent receives "Parent Notification #3". Child will not be allowed to return to the center.

C. Prohibited Disciplinary Measures:

Under no circumstance will neglectful, abusive, corporal, humiliating or frightening punishment be used. No child will be physically restrained unless it is necessary to protect the health and safety of the child or others. If a child needs to be removed from the group to regain his/her composure, it will be to a place where visual supervision by staff is possible.

I have read OSPCC's Behavioral Management Plan and have had the opportunity to speak with an OSPCC staff member regarding any questions or concerns I had regarding the Behavior Management Policy as found on page 19 in the Parent Handbook.
