Depth of Mercy

1. Have you ever been on a trip and suddenly found yourself on the wrong highway? How did it happen, how did you realize it, and how did you get back on track?
2. What does God want from us – our love or our actions? What Scriptures help answer this question for us?
3. Where are examples in the New Testament of greed, sexual immorality, irreverent worship in the church? How did the Apostles respond to each of these cases? What lessons might we learn?
4. What are modern-day examples of how we might be unintentionally or intentionally "troubling" the poor?
5. What is it about the poor that attracts God's special concern? What are ways we might tangibly mirror that special concern?
6. Who are modern-day "Nazirites & prophets"? How might we encourage them rather than silencing / perverting them?
