Amos 3:9-4:3 - The Plight of Ease

Communion

Closing

- Consider a time when you received a special blessing in a time of real need... How did that affect you?
- Does contentment lead to generosity, or does generosity lead to contentment? (See Luke 12:22-29 & 12:33 and 1 Timothy 6:6-10 & 6:17-19, for passages where the two of them are spoken of) Or might there be a separate root of them both?
- What does sharing your excess with someone in need require of you? What does it do for you?
- Is 2 Corinthians 8:9 talking about spiritual riches/poverty or material riches/poverty?
- What biblical principles are in play when Amos says that God's judgment is going to particularly fall on the "upper-class" in the city of Samaria?
- Samaria's women abused their husband's natural inclination to bless a wife... Any other ways our wants can tempt others to compromise?
- For whom might you meet an immediate need this week? How might you begin to better position yourself for future generosity?
