BRINGING GOD'S WORD TO LIFE

November 26, 2017

Genesis 2:24

For this reason a man shall leave his father and his mother, and be joined to his wife; and they shall become one flesh.

How and why did God create us?

God created us male and female in his own image to know him, love him, live with him, and glorify him. And it is right that we who were created by God should live to his glory.

The Glory of the Cross

1. Martha was drawn away "with all her preparations." What things might draw us away from dedicated time with the Lord? What do we communicate to the Lord and to others when we allow these things to draw us away?
2. What were the implications of Martha allowing herself to be drawn away? What are the implications in our lives when we do the same (in our marriages, in our parenting, in our church, in our community, in our work)?
3. Consider the way in which the Lord confronted Martha. How might we follow His example when we confront or exhort others?
4. What specific plans might you make in order to say "no" to lesser things so you can say "yes" to the one necessary thing?
5. Share what present practice you use for regular time with the Lord... What also has been meaningful in the past?
6. In Rev 2, Jesus commended the church of Ephesus, but then says, "But I have this against you, that you have left your first love." What are some signs of having left "first love?"

ANNOUNCEMENTS

CHRISTMAS CHOIR

Come join your voice with us in praise to our Emmanuel! We will learn two songs to sing during our Sunday morning service on December 24th. Please sign up at the music stand next to the baker's rack in the hallway by the church office. Instructions are there for taking the appropriate Cd's and song sheets home for practicing. This year we have highlighted parts on the Cd's to make your practice easier on your own! *Our first scheduled practice is Wednesday, November 29th, from 8:30 - 9:30.* Then we will practice on the following three Wednesdays in December. *Don't worry if you can't make every practice* - but the final practice on 12/20 will be the most important for getting our sound check done.
