BRINGING GOD'S WORD TO LIFE

January 14, 2018

Matthew 22:37

And He said to him, "You shall love the Lord your God with all your heart, and with all your soul, and with all your mind."

What does the law of God require?

Personal, perfect, and perpetual obedience; that we love God with all our heart, soul, mind, and strength; and love our neighbor as ourselves. What God forbids should never be done and what God commands should always be done.

Closing Song

I'll Fly Away

1. What is something that went wrong for you this week? What was your reaction / response?
2. What ought we to take away from God including this final prophecy in Amos' writing? How would you walk away from Amos differently if it wasn't included?
3. God extends grace to Israel by His choice, not because of their performance. Where else do we see this in Scripture? Any examples of this in your life?
4. How ought God's patient and overwhelmingly gracious gifts toward His people impact how you respond to those who do you wrong? Are there differences? What are the tensions in doing so?
5. If you were to summarize the overall teaching of Amos in a sentence or two, what would you say?
6. Thought question: Read Acts 15:16-18 in context, where James quotes from Amos 9:11-12. What is James trying to prove? Why does he use these verses?
