BRINGING GOD'S WORD TO LIFE

March 11, 2018

Exodus 20:7

You shall not take the name of the Lord your God in vain, for the Lord will not leave him unpunished who takes His name in vain.

What does God require in the first, second, and third commandments?

First, that we know and trust God as the only true and living God. Second, that we avoid all idolatry and do not worship God improperly. Third, that we treat God's name with fear and reverence, honoring also his Word and works.

1 Thessalonians 1:8-10 - Conversion

Closing Song

1. Think of an example of one whose life "amplified(es)" the Gospel... What was it about them?
2. "Idolatry is trusting in created things rather than the Creator for our hope and happiness, significance and security." (Q17) Based on this definition, what are idols of modern man?
3. What does it mean to look to God rather than each of those in question 2? Work through each one...
4. What are some ways Christians "slave for" God?
5. "Waiting always involves temporary self-denial." What do we deny ourselves as we "wait for" Jesus?
6. Thought Question: How might the two descriptors Paul chose to use of Jesus in v. 10 (raised, rescues) be especially meaningful for the Thessalonians?
