**What does God require in the sixth, seventh, and eighth commandments?**

**Sixth, that we do not hurt, or hate, or be hostile to our neighbor, but be patient and peaceful, pursuing even our enemies with love.**

**Seventh, that we abstain from sexual immorality and live purely and faithfully, whether in marriage or in single life, avoiding all impure actions, looks, words, thoughts, or desires, and whatever might lead to them.**

2. What were the elements of what motivated Paul in 1 Thess 2:1-5? What observations can you make about those motivations?
3. Paul mentions "flattering speech" in v. 5. What is the goal of flattering speech and how does it work against gospel aims? Is there such a thing as "flattering silence"? - if so, what does it look like...
4. What gospel ideas / plans have come to mind in response to the last few sermons? What is the "next step" on those?
5. Review together through each point of the BCO tract - "God, Me, Christ, Response"
