BRINGING GOD'S WORD TO LIFE

April 22, 2018

Romans 13:10

Love does no wrong to a neighbor; therefore love is the fulfillment of the law.

What does God require in the sixth, seventh, and eighth commandments?

Sixth, that we do not hurt, or hate, or be hostile to our neighbor, but be patient and peaceful, pursuing even our enemies with love.

Seventh, that we abstain from sexual immorality and live purely and faithfully, whether in marriage or in single life, avoiding all impure actions, looks, words, thoughts, or desires, and whatever might lead to them.

Eighth, that we do not take without permission that which belongs to someone else, nor withhold any good from someone we might benefit.

Called into Community

1. Who is someone you know that is actively involved in "helping others follow Jesus?" What are some things you observe about their life?
2. We often hear - "you can't help others unless you take care of yourself first." At what points does this apply to the relationship between Discipleship and Discip-ling? At what points might it not apply?
3. "Every disciple should be discipling" - what are the things that keep Christians from this task (think both internally and externally)? What might keep younger Christians from it? What might keep older Christians from it?
4. What are ways in which Christians might practically "watch-out" (care) for other Christians around them? How might we partner together for this task?
5. What challenges have you found in seeking to care for other's spiritual help? What might help in overcoming these challenges? (brainstorm together on this)
