### Closing Song

Holy, Holy, Holy

1. Review the Calling, Goal Actions, and Motive of Discipling from the last 3 sermons in 1 Thess 2:6-13.
2. How & why do fathers sometimes stray from the "urging / exhorting" kind of Family Talk with their children?
3. What mindsets can help Disciplers to avoid similar missteps in our directing fellow believers?
4. How can approaching another believer as a "friend" / "fellow traveler" help ease the tension in those conversations?
5. Verbalize / Role play how this approach might sound...
6. How is the Spirit leading you to action in the area of discipling? What concrete plans might you lay toward this end?

### Call for Musicians

We desire to add additional and varied musicians to our current group,

- 1) to better share the load of this weekly ministry, and
- 2) to be able to develop and maintain a varied, full, and fresh sound that will encourage our congregation to sing!

Our aim is not necessarily to form a small orchestra, but rather utilize the talents we have within our congregation to augment the musicians and instruments with which we are already blessed in order to *share* the load and *serve* our church body. So, we are asking individuals with any amount of experience: HS band, college orchestra, community groups, hobbyists - to dust off their instruments and consider serving in this important ministry.
