#### New Member Induction

Peter Foreman, Scott & Nikki Landrum,  
Zachary & Katy Price, Marshall Proctor,  
Noah & Ally Ruvalcaba, Daniel & Courtney Willson

1. Think of 10 specific ways a mom actively "cares" for her small child. What parallels might there be for each of those in discipling another Christian?
2. When are specific times when it is hard to be gentle/kind as you seek to help/direct a fellow believer? What is it that makes these such a challenge?
3. What are reasons that "affection" (desire for relationships) with other Christians may wane? What about for you personally?
4. If Paul metaphorically presents moms as relational and dads as truth-tellers, which side do you fall off toward in your Christian relationships? How might you further balance yourself toward both?
5. What sacrifice do you anticipate having to make to move yourself more toward a "caring" discipleship of other believers?

### Call for Musicians

We desire to add additional and varied musicians to our current group,

- 1) to better share the load of this weekly ministry, and
- 2) to be able to develop and maintain a varied, full, and fresh sound that will encourage our congregation to sing!

Our aim is not necessarily to form a small orchestra, but rather utilize the talents we have within our congregation to augment the musicians and instruments with which we are already blessed in order to *share* the load and *serve* our church body. So, we are asking individuals with any amount of experience: HS band, college orchestra, community groups, hobbyists - to dust off their instruments and consider serving in this important ministry.
