1 Thessalonians 2:14-18 - Silence the Christians

1. What are some specific ways in which Satan seeks to "hinder" American Christians from speaking the Gospel?
2. What skills need to be cultivated in order to speak more freely and effectively the Gospel?
3. What things might be "put off" that would allow you and other Christians the space to engage with unbelievers?
4. List different types of people with whom you might speak, and how to best engage with them...
5. List different situations in which you might speak, and brainstorm the best strategy to communicate the Gospel in that setting...
6. Is there anyone with whom you might "make the most of the opportunity" this week?
7. Spend some time meditatively praying for boldness for yourself and other Christians around you.
