Everyone who practices sin also practices lawlessness; and sin is lawlessness.

~1 John 3:4

What is sin?

Sin is rejecting or ignoring God in the world he created, rebelling against him by living without reference to him, not being or doing what he requires in his law - resulting in our death and the disintegration of all creation.

Cain rebels against God - Genesis 4:1-15

Principle: God will punish sinful attitudes and actions.

Ask your Child: What offerings did Cain and Abel bring to God?

Apply: By serving the Lord with gladness.

1. Why do you think are people so fascinated with end-of-the-world scenarios?
2. How do such fantasies color how we live? Take a few of these and play out how it might cause people to live...
3. What does it mean to allow all our plans to be guided by Rapture Day? How might that color your specific plans for the coming week?
4. How might we "comfort one another" with the reality of Rapture Day?
5. What all practical applications might we make from James 5:1-11's teaching on the last days?
