What then? Shall we sin because we are not under law but under grace? May it never be!

~Romans 6:15

What is sin?

Sin is rejecting or ignoring God in the world he created, rebelling against him by living without reference to him, *not being or doing what he requires in his law* - resulting in our death and the disintegration of all creation.

God preserves Noah - Genesis 8:1-9:17

Principle: God is loving and keeps His promises.

Ask your Child: What covenant did God make with mankind?

Apply: By trusting that God will always do what He says.

Psalm 130 - Drawing Near to the One We Revere

Closing Song

My Worth Is Not In What I Own

1. What might be some consequences of a Christian approaching God in a flippant or irreverent manner?
2. What might be some consequences of a Christian forgetting that God is to be known, loved, and drawn close to (Rev 2:1-5)?
3. Discuss the difference between the *security* of a believer's relationship with God (Rom 8:33-39) and the *fragility* of their fellowship with God (Eph 4:30-32)? What is the remedy to broken fellowship (1 John 1:8-9)?
4. Consider the Psalmist's eagerness to wait on God (where waiting speaks of dependence and fellowship). Why do you suppose he was so eager? What might keep us from waiting on God?
5. What are some negative implications of attempting to wait on God without hoping in His Word? How have you seen this play out in your life or in the lives of others?
6. "Announcing God as Redeemer out to be more than duty, it ought to be the overflow of our heart." If it is not, what might this reveal?
