May the Peace of God (Benediction)

1. What makes regular prayers a hard habit for you to maintain?
2. Consider prayers in the Bible where God answered in accord with the asking. Consider where He didn't. What things might this be intended to teach us?
3. Which type of Greek prayer are you prone to most? Why?
4. Why is WHO we perceive ourselves praying to determinative in HOW we pray?
5. What happens when we put "honest help-seeking" above "devoted worship" in our purpose for prayer? Practically how can we reorient that?
6. Objection: "If God's sovereign plan will occur, why pray?" How do today's points about prayer answer that?
