Closing Song

1. What is one of the best material gifts another person ever gave you? How did it affect your relationship with that person?
2. We all know that outer thanks without inner heart is bad. But what is so bad about inner thanks without outward expression to God? (consider the 3 outer responses)
3. Which of the 5 reasons we don't give thanks affects you? Why / How?
4. What can you do to change this?
5. What habits / schedule might you put in place in your life / family to become more intentional about prayer & thanksgiving?
6. Plan to spend some time in your next (or present) Christian gathering reflecting together and expressing thanks for God's specific blessings.
