Closing Song

1. "Idolatry" sounds foreign to us Westerners. Is there better language to use as we dialog with others about our basic problem?
2. How does the way Paul structures Rom 1:23-27 so similarly to v. 28-32 impact the way we deal with the sin of homosexuality?
3. Why is homosexuality a better illustration of man's idolatrous nature than adultery is? How are both better illustrations than stealing or murder?
4. "God gave them over" (v. 24, 26, 28) sounds ominous. For such ones is there any remedy? Consider Acts 7:41-43 + Rom 11:25-27, and Ps 81:11-16, Isa 55:6-7, Acts 3:19
5. Consider 2-3 items in v. 29-31. How do such things specifically "degrade" human society? Does being "reborn" in Christ restore us from such things? How?

A NEW BUILDING IS ON THE HORIZON

As announced at the Annual Meeting, we have determined to seek land upon which to build a future new facility for BCO!
Two ways we can all be involved at this point...

- 1) Pray with us as we actively search for a piece of property and begin the design process, for unity and favor from the Lord
 - 2) Consider how you might sacrificially begin giving toward the Building Fund in anticipation of this work
- We are truly excited for a clear direction and about all that the Lord will do in and through BCO in the days ahead!
