~Matthew 13:50

Closing Song

1. Identify characteristics of a modern day professing "Christian" who would fit the profile of the "Jew" that Paul was addressing in Rom 2:17-29.
2. What would be key markers of difference between them and an in-process, true disciple of Jesus?
3. Strategize / Roll-play at verbalizing Paul's two basic questions to such a one without an air of personal judgment...
4. How can Romans 6:1-11 help one understand the relationship intended in the sign of water baptism?
5. How might John 8:47-58 be useful in helping one understand the nature of the relationship pictured in the Lord's Supper?
