*For by grace you have been saved through faith;
and that not of yourselves, it is the gift of God;*

~Ephesians 2:8

How can we be saved?

Only by faith in Jesus Christ and in his substitutionary atoning death on the cross; so even though we are guilty of having disobeyed God and are still inclined to all evil, nevertheless, God, without any merit of our own but only by pure grace, imputes to us the perfect righteousness of Christ when we repent and believe in him.

Closing Song

1. Why do we naturally get defensive when someone points out our wrong?
2. Why will most admit to having sinned and yet not see this as an eternal problem?
3. How does seeing some sinners as worse than others keep you from being a witness for Christ? How might seeing "all under sin" change that?
4. A fellow Christian is eager to win converts by telling them "how exciting and fulfilling the Christian life is." What is he missing? How would you counsel him?
5. How do we demonstrate at times that we have forgotten that "we are not better than they"? How can you remedy that?
