And without faith it is impossible to please Him, for he who comes to God must believe that He is and that He is a rewarder of those who seek Him.

~Hebrews 11:6

What is faith in Jesus Christ?

*Faith in Jesus Christ is acknowledging the truth of everything that God has revealed in his Word, trusting in him, and also **receiving and resting on him alone for salvation as he is offered to us in the gospel.***

Israel rejects God's prophet and priest - Numbers 16:1-17:11

Principle: We should obey and respect the leadership that God has established.

Ask your Child: Why did the people complain?

Apply: By valuing the leadership God has put in his life.

Closing Song

Not in Me

1. How did God's Law factor into your coming to Christ? How has it continued to affect your life?
2. "Nothing stands between the sinner and God but the sinner's own good works." What does this statement mean? How might this perspective affect one's parenting?
3. How can young parents help their children not think they are earning love by being good?
4. How can parents help their kids not think "good enough" is the real standard? How ought not parents try to teach this lesson?
5. How practically might you encourage an unbeliever to self-diagnose their standing before God?
