**What do we believe by true faith?**

**Everything taught to us in the gospel. The Apostles' Creed expresses what we believe.**

**God blesses Israel through Balaam - Numbers 22:1-24:25**

**Principle:** God is sovereign and keeps His promises.

**Ask your Child:** What did God allow Balaam to do to Israel?

**Apply:** By remembering that God's blessing is unchangeable.

### Closing Song

1. What are popular definitions of "faith?" What does Paul mean in his 4 uses in Rom 3:21-26?
2. What happens when we make faith the "grounds / cause" of salvation rather than the "instrument / means?" What about when we make faith mere "assent?"
3. Propitiation (v. 25) appeases God's anger at sin. Some recoil at this idea of God needing to be "appeased." How does the Scripture speak - Ezek 5:11-13, 1 John 2:2, 4:10?
4. To Redeem (v. 24) is to pay the price for the release of a captive. Describe the Christian's new-found freedom. What are we to do with it?
5. Is it important that God was "just" (v. 26) in justifying sinners? How does this really impact you? Why is it important to God?
